WESLEY BARRY IS AT THE LIBERTY TONIGHT

There will be a double bill at the Liberty tonight, Wesley Barry in "Heroes of the Street" and "Sunshine Sammy" in a Hal Roach comedy, "The Champen."

Wesley Barry is said to be seen at his best in "Heroes of the Street." We gratefully remember his fine acting in "Penrod," "School Days," "Here his personality shines undimmed as the mischief-loving youngster who suddenly sobered up and devotes some of his days to tracking a gang of desperate crooks. "Heroes of the Street" takes the lid off excitement, and sends the thrills up the spine with its plot wound around young Micky Callahan and his escapades.

REINDEER TODAY COULD REPAY WHAT RUSSIA GOT FOR ALASKA

WASHINGTON, Dec. 10.—General use of Alaskan reindeer venison in the United States as an article of diet soon will be possible, depending merely on the matter of transportation, the Bureau of Education predicted today in an annual report which said that Alaska's domestic herds now are worth \$1,500,000 more than this government paid Russia in 1867 for the entire Territory.

The industry, which began in 1892 when the Bureau imported the first of the animals from Siberia, has developed until the herd at present numbers some 350,000, about 235,000 of which belong to the natives who rely upon deer for a livelihood, as well as for food and clothing.

A problem confronting the Bu-

reau is to reorganize the industry on a cooperative basis so as to handle the increasing herds more efficiently and to market the meat more economically.

TREASURE HUNTERS WILL DIG FOR GOLD

MANILA, Dec. 10.—Two chests of Spanish gold said to have been hidden 100 years ago in a cave in the typhoon-swept hills of Clarobubuyan, one of the northernmost islands of the Philippine group, is challenging the spirit of several adventuresome "Manillans" who are preparing to go in search of the treasure. The gold, according to the natives, was secreted by an old

Woman who sought protection for her treasure from the frequent earthquakes and volcanic eruptions on the island.

The crew of a coast guard cutter which recently visited the island brought word that two brass cannons about five feet long and a ship's bell taken from a British warship wrecked there many years ago were found. The bell is used to summon worshippers to a dilapidated chapel which is without a priest. There are two volcanic mountains on the island.

SULPHUR CLEARS SKIN RIGHT UP

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.
